

**IMPLIED CONSENT WARNING:  
DRIVING UNDER THE INFLUENCE**

(b) At the time a chemical test or tests are requested, the arresting officer shall select and read to the person the appropriate implied consent notice from the following:

(1) Implied consent notice for suspects under age 21:

The State of Georgia has conditioned your privilege to drive upon the highways of this state upon your submission to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing, your Georgia driver's license or privilege to drive on the highways of this state will be suspended for a minimum period of one year. Your refusal to submit to blood or urine testing may be offered into evidence against you at trial. If you submit to testing and the results indicate an alcohol concentration of 0.02 grams or more, your Georgia driver's license or privilege to drive on the highways of this state may be suspended for a minimum period of one year. After first submitting to the requested state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which test)?'

(2) Implied consent notice for suspects age 21 or over:

The State of Georgia has conditioned your privilege to drive upon the highways of this state upon your submission to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing, your Georgia driver's license or privilege to drive on the highways of this state will be suspended for a minimum period of one year. Your refusal to submit to blood or urine

testing may be offered into evidence against you at trial. If you submit to testing and the results indicate an alcohol concentration of 0.08 grams or more, your Georgia driver's license or privilege to drive on the highways of this state may be suspended for a minimum period of one year. After first submitting to the requested state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which test)?'

(3) Implied consent notice for commercial motor vehicle driver suspects:

The State of Georgia has conditioned your privilege to drive upon the highways of this state upon your submission to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing, you will be disqualified from operating a commercial motor vehicle for a minimum period of one year. Your refusal to submit to blood or urine testing may be offered into evidence against you at trial. If you submit to testing and the results indicate the presence of any alcohol, you will be issued an out-of-service order and will be prohibited from operating a commercial motor vehicle for 24 hours. If the results indicate an alcohol concentration of 0.04 grams or more, you will be disqualified from operating a commercial motor vehicle for a minimum period of one year. After first submitting to the requested state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which test)?'

**IMPLIED CONSENT WARNING:  
HUNTING UNDER THE INFLUENCE**

(2) At the time a chemical test or tests are requested, the arresting officer shall read to the person the following implied consent warning:

'The State of Georgia has conditioned your license to hunt in this state upon your submission to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing and you are convicted of hunting while under the influence of alcohol or drugs, your ability to lawfully hunt in this state will be suspended for a period of two years. Your refusal to submit to blood or urine testing may be offered into evidence against you at trial. If you submit to testing and the results indicate an alcohol concentration of 0.08 grams or more and if you are subsequently convicted of hunting under the influence of alcohol by having an alcohol concentration of 0.08 grams or more at any time within three hours after hunting from alcohol consumed before such hunting ended, your ability to lawfully hunt in this state will be suspended for a period of one year. After first submitting to the required state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which test)?'

**IMPLIED CONSENT WARNING:  
BOATING UNDER THE INFLUENCE**

(b) At the time a chemical test or tests are requested, the arresting officer shall select and read to the person the appropriate implied consent warning from the following:

(1) Implied consent notice for suspects under 21 years of age:

'The State of Georgia has conditioned your privilege to operate a vessel on the waters of this state upon your submission to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing, your privilege to operate a vessel on the waters of this state will be suspended for a minimum period of one year. Your refusal to submit to blood or urine testing may be offered into evidence against you at trial. If you submit to testing and the results indicate an alcohol concentration of 0.02 grams or more or the presence of any illegal drug, your privilege to operate a vessel on the waters of this state may be suspended for a minimum period of one year. After first submitting to the required state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which test)?'

(2) Implied consent notice for suspects 21 years of age or older:

'The State of Georgia has conditioned your privilege to operate a vessel on the waters of this state upon your submission to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing, your privilege to operate a vessel on the waters of this state will be suspended for a minimum period of one year. Your refusal to submit to blood or urine testing may be offered into

evidence against you at trial. If you submit to testing and the results indicate an alcohol concentration of 0.08 grams or more or the presence of any illegal drug, your privilege to operate a vessel on the waters of this state may be suspended for a minimum period of one year. After first submitting to the required state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which test)?'
